Ref: G.O. R.V. No. 64 dated 27th February 1948.

In its reference No.402/46-Accts.II-3 dated 6-12-1947, the Board reported to Government a loss of Rs. 10,696/15/2 on 346 bags of atta imported in Bellary district during 1943. At the time of making this reference, the Board had with it another report from the Collector of Bellary about the deterioration of a quantity of 92½ bags of maida but this was not reported to Government then as the performa accounts showed that the cost of all stocks of maida imported during 1943 was realised in full and there was no balance pending recovery which required to be written off. The Collector of Bellary has since reported that this quantity of 92½ bags formed part of a consignment of 164 bags received in Bellary district and issued to the Famine camps. The stuff had remained unutilised due to the closure of the camps, ~~The stuff had remained~~ and out of this, it was possible to dispose of only 71½ bags at the full value, vide his letter Rc.31-44-PI dated 30th December 1947 (copy enclosed). The remaining 92½ bags having deteriorated were sold in auction and fetched Rs. 156/0/4. The cost price of this quantity was Rs. 2,636/4/ and deducting the sale proceeds of Rs. 156/0/4 the net loss due to deterioration works to Rs. 2,480/3/8. The Board attempted to fix the responsibility for the deterioration of the stuff but it found that no one was to blame. The Board therefore requests that the amount of Rs. 2,480/3/8 may be written off.
